Local Business Sponsorship

If you own a business and are a member of the community, you are invited to become a website sponsor, which entitles you to an entry in the Local Business Directory on the parish website. For a fee of £30 per year (which goes towards the cost of hosting the site) you will receive:

- A listing in the 'Services' section on the 'Business' or 'Accommodation' page.
- A web page for your business with space for approximately 150 words and up to 4 pictures.
- Your business address and contact information.
- Your company logo.
- A link to your website (if you have one).

If you don't have a web site then this is a quick, simple and inexpensive way of getting your business onto the world wide web.
