Chris Johnson , from Stokesley Town Council informed group that a banking hub will be open in 9 weeks as a permanent feature, provided by the larger Banks, he thanked to Councillor Hugill for supporting this. 111/26	Beyond Housing: Update on social value. DH was expecting answer regarding social value projects but is still awaiting feedback. HW has circulated an email from the representative at Viola Homes, regarding the right to buy and shared ownership schemes.	DH

	Only 4 homes have been reserved, others will be advertised across North Yorkshire. It was proposed that the Clerk would contact Parish Clerks in our area to let them know about the houses and the possibility of an open day was discussed. If no uptake this will go out to other areas outside North Yorkshire which was not the intention when the development was planned. DC felt strongly that the houses were supported by Homes England for those with connections to the village and was disappointed that they are being offered to people outside the area. It was felt in hindsight we needed more rental homes than shared ownership. DH agreed to ask people who haven't been successful getting a property and HW will put something in next community message.	
112/26	Recreation Ground: To receive updates of maintenance issues. Les Sutton Haigh informed council that Playdale engineer is coming out week beginning 29th June to meet him to resolve the issue with tension on zip wire. We are still seeking funding from Beyond for Rubber Chippings. DC commented chipping order was passed a few months ago, it may delay opening of zip wire due to lack of chippings. Les is giving priority to hedge trimming and asked about the fence on side off footpath to recreation area, JB confirmed builders are replacing fence.	LSH
