	midnight on 22nd July, advised to report via 999 if any occur in future.,. Children's Cycle Track. Stones are being delivered and designers are returning to check berms and rollers.
123/26	Opportunity for comments from members of the public. Residents informed group about near misses with speeding traffic in village putting children at risk. Wagons and tractors come off A19 doing 60mpg and cutting through to go to Stokesley. Parish Council have been asked to look at this. Discussed Appleton Wiske speeding limits of 20 mpg. Could we have traffic calming measures in village, e.g. Chicanes and electronic signs (vehicle activated signs), especially on Cross Lane, Poll from resident to community had a poor response. The North Yorkshire Council's speed limit review is a 5 year plan and it is felt we need to do something sooner. Chairperson suggested that we contact NYC to make them more aware and see if someone can come out to the village to look at problems. Resident asked if we could put some signs up to slow traffic particularly as the amount of children in village is increasing. It was then agreed a working group could be set up to look at this issue and residents were keen on this idea.. It was suggested that a call for expressions of interest from villagers and Hazel agreed to send out as a community email. Chairperson will also try to put pressure on at NYC level. The Parish Council thanked the resident for attending the meeting and trying to address the matter.
124/26	Beyond Housing: Update on social value and rent to buy and shared ownership houses. Social fund is sitting with builder and was been agreed to purchase for rubber chippings for £2,000 to enable the zip wire to be opened. £1,500 is being offered to pay towards the cost of the sound system in the village hall. Housing demand, clerk contacted other local councils who are all aware of the available houses, Stokesley Town Council have some interested parties.
125/26	Coast 2 Coast: Update on collecting evidence of walkers crossing A19. Exelby services cannot release their videos due to GDPR but are happy for us to undertake a survey of the walkers passing through the garage and set up our own cameras. This was agreed by all and clerk will send message to community to share ideas with residents and see if there are any volunteers. Chair person informed councillor of a film maker and it was agreed he would be asked to undertake filming and editing of the walkers crossing A19 with their permission.
126/26	Recreation Ground: To receive updates of maintenance issues.
