Index card for Stockdale, William, priv (Private), 201837, A Company, 5 Yorkshire.  
Reference numbers PA12822 and PA 21266.

Note: This William Stockdale has the same Service Number 201837 but is a member of 5 Yorkshire not 4 Yorkshire as recorded on the Ingleby Cross war memorial.

These cards were issued in Geneva by the International Prisoners of War Agency.

A card was issued for each person registered in documents (lists of prisoners, notices of death) received by the Agency from the warring countries, in this case Germany and Turkey. The cards direct to a reference number (in alphanumeric format): enter this reference number in the search engine to access another document.

Warning: reading the reference number can be difficult because of handwriting, bad quality of the stamp inking or of the microfilm.

In this file, 2 reference numbers are the most frequent:

- PA (British prisoners in the hands of Germany)
- R (British prisoners in the hands of Germany or Turkey).
